

VU+ UNO 4K

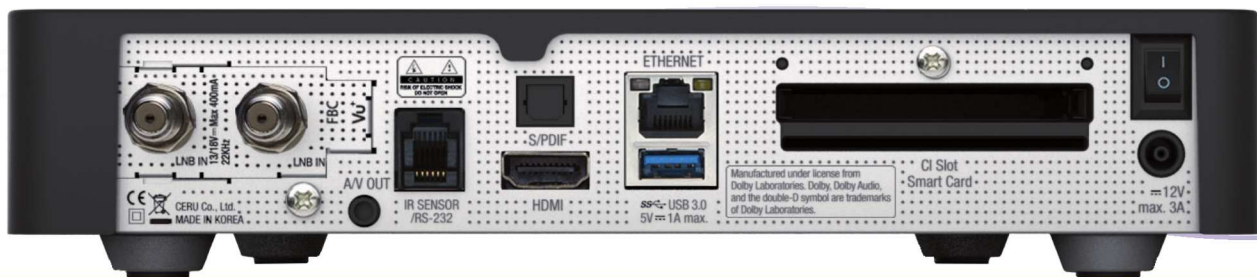

Your **Smart** Linux TV Player

Mit der **VU+ UNO 4K** bietet **VU+ UHD** für jedermann. Der flexible Tuner erlaubt den Einsatz in jeder Empfangsumgebung. Wie von **VU+** gewohnt unterstützt dieser günstige UHD Receiver alle Features die das Benutzerherz höher schlagen lassen. Unglaublich schnelle Umschaltzeiten sind ebenso wie HbbTV und Transcoding selbstverständlich.

Vu⁺ UNO 4K

Your **Smart** Linux TV Player

Technische Daten
